HER MEMORY HONORED

After the decoration of the grave of the late Bernice Pauahi Bishop on the Mausoleum grounds yesterday, the students went back to the schools and, at 1:30 o'clock there was a big luncheon which were a large number of guests present.

In the evening came the memorial services in the chapel near the entrance to the grounds. The place was filled. The program began with the grand offertory of St. Cecilia (Battiste), played by Prof. Ingalls on the organ. After this came a song composed in honor of Mrs. Bishop by Mrs. Yarnley.

After the invocation by Dr. W. B. Elkins came the address of President Charles Bartlett Dyke on "Our Heritage." In it, the speaker referred to the urgent call for men in the world today, to the opportunities placed before the students of Kamehameha and lastly, to the belief all who left her people a heritage which ought to influence the nation for all time. In conclusion, he said:

"Our church needs an awakening, our society needs skillful and faithful workers, our government needs wise and loyal citizens, our nation needs pure and happy homes. May all of us realize today, as never before, our personal responsibility to use our heritage so that we may be able to fill all these demands for righteousness and service."

A selection by the boys of the Preparatory School was the next on the program. Scripture reading by Dr. Elkins and the Gloria from a mass of

Bordeaux, sung by the choir, followed. At the conclusion of the Gloria, W. H. Castle read an address on the Hawaiian chiefs. Rev. S. L. Desha of Hilo, delivered an address in Hawaiian on "The Building of a Living Monument." Prayer was offered by Rev. David A. assistant pastor of Kawaiahae and then, the entire audience rising, sang Hawaii Ponoi. The benediction was pronounced by Rev. S. L. Desha.

PIG DIET CLUB

Chicago, Dec. 9.—Residents of the fashionable Chicago suburb of Melrose Park boast of a "pig club," the twenty members of which are pledged to eat no meat but pork for the next six months. The club owes its origin to the Sacred Heart Church bazaar, where Mrs. Ferdinand Dunnebecke, wife of the president of Melrose Park Savings Bank, won a young porker in a raffle. Dunnebecke was chosen president of this club, which held its first meeting this evening at the home of Michael Young, where roast pig was the only course on the menu. "We want to prove the falsity of the theory that pork is unhealthy because it contains parasites," said Mrs. Dunnebecke. "The club will meet weekly, and the next meeting will be at my house. I am going to give a nice fat shank as a prize, and the winner must catch it, as I intend to turn it loose in the yard. We formed a roster club last winter, but I think a change to pig will be for the better."

RHEUMATISM AND STOMACH TROUBLE CURED.

Tonales, Marin Co., Cal., June 28, 1901.

DR. McLAUGHLIN—Dear Sir: One could not imagine the stage of suffering I passed through from stomach trouble and rheumatism. I was subjected to severe drug treatment, stomach pump treatment, and diet treatment, without the least relief. I grew disgusted with them all and as a last resort tried your belt, two years ago. In three days I could fling away my cane, and in three months was a new man, entirely cured, and felt better than I had for years. Several of my friends have since purchased your belts. I would not part with mine for \$1000 if I could not get another. Yours truly,

JOHN B. GUAY.

This man was cured two years ago. BOOK FREE.—I will send you my FREE BOOK, little book, with full information, sealed, free if you will send this ad.

RAILROAD SCHOOL TAX
Omaha, Neb., Dec. 8.—The Union Pacific Railroad is complaining to the courts that it is obliged to educate the larger portion of the children of Western Nebraska and Eastern Wyoming out of its own pocket. The citizens are taking such advantage of the law in the sparsely settled districts that the railroad is obliged to shoulder nineteenths of the cost of maintaining the schools.

The railroad cites the case of one school district in Cheyenne county where there are only six children of school age living in the district. They are all members of one family, and, as a matter of convenience, the kitchen of their home is converted into a school room. The teacher is the mother of the family, and her salary is paid by a school tax, 92 per cent of which falls upon the company's right of way. The company would not object so much to the salary, were it not for the coal bills. Last winter, in the six months' term, the district school consumed twenty tons of coal. The school was only supposed to be in session, the complainants point out, for five days in the week and for five hours each day.

In seeking relief from the hardship the company's first step was to place an old caboose off its wheels along the right of way in the district. In this shelter one of the employees established a residence as a voter. A section of the company's land grant was deeded to him, and he has brought suit as a resident taxpayer against the extravagance in the management of the school district. It will be necessary to bring similar actions in other communities.

TRANSPORT ANARCHISTS.

Washington, Dec. 9.—Senator Hoar today introduced the following resolution: "That the President be requested, if he shall deem it practicable, to enter into negotiations with other civilized countries to the end that a convention be made in accordance with the terms of which some island, or if that cannot be done, some other suitable territory, may be set apart to which, under due precautions and after fair and proper trial, persons found guilty of attempting or instigating or counseling the overthrow of all governments or of criminal attempts upon the life of chief magistrates or high officials of such governments may be transported, and to which they may be confined."

ROOSEVELT AND GAGE HAVE NO TROUBLES

Washington, Dec. 7.—Secretary Gage, H. H. Kohlsaat and others in a position to know positively deny the story that there is trouble between the President and the Secretary of the Treasury and that Secretary Gage is about to resign. A friend of the President was at the White House today and put the question point blank to the President and received a point blank answer that the relations between the Executive and his financial adviser were cordial, and that the story of a rupture was baseless. It is true, however, that Secretary Gage is, and has been for a long time, anxious to retire, but this is also true of Secretaries Hay and Long, about whose friendly relations with the President there has been no question. Secretary Hay has never recovered his spirits since the tragic death of his son, and will welcome relief from official cares. Secretary Long makes no secret of his desire to retire. But all deny that anything but cordiality marks the relations of the President and his Cabinet.

New York, Dec. 7.—Many Republicans in New York State have not been able to understand why Ambassador Joseph H. Choate has prolonged his vacation in this country. It has been said in Washington that if Low had been defeated on election day, Roosevelt was to succeed Hay and Hay to succeed Choate was accepted as true by Republicans who have discussed this matter with the President and others in Washington.
